In consideration of the delivery to us or to our order, on payment of the freight due, of the goods noted above we agree to pay the proper proportion of any salvage and/or general average and/or special charges which may hereafter be ascertained to be due from the goods or the shippers or owners thereof under an adjustment prepared in accordance with the provisions of the contract of affreightment governing the carriage of the goods or, failing any such provision, in accordance with the law and practice of the place where the common maritime adventure ended and which is payable in respect of the goods by the shippers or owners thereof.

We also agree:

- (iii) that if the cargo is forwarded to destination by other means, rights and liabilities in general average shall remain as nearly as possible the same as they would have been in the absence of such forwarding, as if the adventure had continued in the original ship for so long as justifiable under the contract of affreightment and the applicable law;
